We are excited to be offering Camp Milestones for the 2009 summer session. Camp Milestones will be open to kids ages three to eight with varying skill levels. We will be holding Camp Milestones over the course of 8 weeks. Camp days will occur one time per week for a 90 minute session. Camp participants will engage in a variety of activities led by a therapist focusing on having fun and interacting with peers. The camps weekly

activities will include themes of soccer, basketball, cooking, arts and crafts, music, yoga, baseball, and other playground activities. At each session, children will participate in both structured and unstructured play schemes that encourage social interaction and skill building. Each camp will consist of 4-6 kids. Please check out the following groups for your child!

Milestones Monkeys

This group is designed to provide children with an opportunity to interact socially with their peers while engaging in a variety of play schemes. For participation in this group it is recommended that children are able to follow simple directions, attend to a single activity for a period of 5-10 minutes, show interest in interacting with peers, effectively communicate wants and needs, and walk independently. Recommended ages for this group are 3 – 4 years old and it will be held from 10:15-11:45 on Tuesdays.

Camp Critters

This group is designed to provide children with an opportunity to interact socially with their peers while expanding on play schemes. For participation in this group it is recommended that children are able to follow multi-step directions, attend to a single activity for a period of 10 – 15 minutes, show interest in interacting with peers, and beginning to demonstrate running and coordination skills. Recommended ages for this group are 5 – 6 years old and it will be held from 1:15-2:45 on Tuesdays.

Summer Stars

This group is designed to provide children with an opportunity to interact socially with their peers while gaining exposure to sports and games. For participation in this group it is recommended that children are able to sequence a given activity, attend to an activity for a period of 15 – 20 minutes, show interest in interacting with peers and engaging in cooperative activities such as sports, and demonstrate ability to run and coordinate gross motor movements. Recommended ages for this group are 7 – 8 years old, and it will be held from 1:15-2:45 on Thursdays.

Register early as enrollment is limited! Registration deadline is May 8th!

Camp Costs: \$200 non-refundable tuition covers the 8 week camp and includes supplies. In addition, a non-refundable registration fee of \$35 is due upon registration. The remaining balance of \$200 for tuition is due May 22nd.
