

OT Immediate Opening at Pediatric Therapy Center

Milestones – For Kids' Success is seeking an occupational therapist with a passion for pediatrics to join our team in Downers Grove, Illinois. We are a therapist-owned private facility with a strong interdisciplinary team approach including OT, PT, ST and mental health. We provide service in both the therapy center and home setting, and we service children of all ages and diagnostic groups with a strong family-centered, relationship based approach.

This Exciting Opportunity will include the following job responsibilities:

- Direct care for children and families (individual and co-treat sessions)
- Serving families in their homes through the Illinois Early Intervention program
- Serving families in our therapy center in the after-school hours
- Case collaboration as part of an interdisciplinary team

Milestones is a great place to grow professionally while making a difference in a family's life:

- Creative and innovative facility completely renovated in 2018!
- High-performing team of professionals
- Competitive rate and benefits
- Comprehensive mentoring program

What's Unique About Milestones:

- Specialized in working with children with Sensory Processing Disorder
- Relationship based approach using DIR /Floortime® approach
- Parent collaboration and in-session participation
- Professional development opportunities

Eligible candidates must have:

- Illinois professional license to practice occupational therapy or be eligible for licensure
- Passion for working with children and families and supporting the parent - child relationship
- Desire to work as part of an interdisciplinary team
- Desire to continue to grow as a professional
